Dear Collector:

With this first issue of "RE-COLLECTIONS" Harmer Rooke is presenting your favorite Minimum Bid Coin Auctions under exactly the same rules as previous, but with a new, and we hope, more interesting format. As you will note, we have expanded our descriptions on many of the offerings to make it easier for you to select the coins you want.

We expect to issue this little magazine about eight times per year, each with new offerings at auction, and for outright sale. If you have a friend who would like to receive it, please let us know and we will be pleased to send a complimentary copy.

And now, welcome to "RE-COLLECTIONS"!

Sincerely,

The Staff.

SALES RULES ARE AS FOLLOWS:

- 1- You may bid on any of the following coins at a price equal or above the stated minimum bid.
- 2- All bids must be received by the cut-off date.
- 3- In the event of identical bids, first received shall win lot.
- 4- Bids will be accepted in \$1 increments only. Odd amounts will be brought to the nearest dollar.
- 5- All coins are guaranteed to be genuine and as described. Any lot may be returned within ten days of receipt for full refund.
- 6- Payment for lots must be received before shipment. We accept Visa, MasterCard, American Express and Diners Club.

If you have any questions regarding any of the lots, you may call Toll-Free WATS 800-221-7276 outside of New York State or (212) 751-1900 within state limits. New York State residents must add appropriate sales tax. Minimal shipping charges will also be added.

ALL OFFERINGS WILL BE ON DISPLAY AT OUR GALLERIES STARTING TWO WEEKS PRIOR TO CUT-OFF DATE.

Please make sure you include lot LETTERS when bidding
